

Bella Sweenie
Louisa Smith, 4th Grade

I saw the beautiful monster Bella Sweenie while I was watching her perform in the famous ballet Swan Lake. She had a light brown head that was round at the top and more square-like at the bottom. She had chocolate drip hair that went to her shoulders and wore a cherry hat on top of her head. She had medium-sized brown eyes with short little eyelashes. She wore red cherry lipstick and a yellow top with sprinkles on it. Her neck was short, and her arms were long. She wore a skirt made of waffle cone that dripped with chocolate and went straight out from her hips. On her long legs were bright red ballet shoes. As soon as she was done dancing, I clapped and cheered as loud as I could.
