

Ice cream alien monster

I was about to go to sleep when I heard a noise under my bed. I looked and saw a monster. The monster was tall with green antennas that curled at the top of her triangle shaped head. Her skin was green, and her eyes were red with red eyelashes. She had black stitches on the sides of her face and two fangs peering from her mouth. Her hair was orange and went all the way down to her feet. The bottom of her hair was hissing snakes. The snakes were holding ice cream. At the end of her long arms were three fingers. She was wearing a striped black and purple dress. Her belt was dark blue and the buckle an oval with a black circle in the center kind of like an eye staring at you. She had three legs with seven toes. The monster stared at me. I was about to call for my mom when the monster put a finger to her lips and said, "shhh, come closer." I couldn't wait and ran away as fast as I could.
